Tel: 1-877-280-4455
Fax: 1-877-436-7722

January 7, 2017

We confirm that the product:

Product CAS#: 1069136-34-0
Product Name: Nootka Tree oil
Product Code: NWANTO
Taxonomic name: *Cupressus nootkatensis*

is being produced according to the interpretation of the term “Natural” as outlined in IFRA Information Letter 737 (2005) and the ISO code of practice Section 3.1 and 3.2 of the 1997 directive in International Standard 9235.

No antioxidants, preservatives, genetically modified products or synthetic solvents have been introduced at any part in the production of these oils.

Sincerely,
Northwest Aromatics

Nathan Janz,
President
